

Miguel Calçado

Braga, Portugal | a109361@alunos.uminho.pt | mhcald.github.io | github.com/mhcald

I am a Computer Science student at University of Minho and a Developer at NECC (Núcleo de Estudantes de Ciências da Computação). I am interested in research and software development, especially in the areas of programming languages, type theory, and functional programming.

Education

University of Minho B.Sc., Computer Science	Braga, Portugal Sept 2024 - 2027 (<i>expected</i>)
---	---

- **Relevant Coursework:** Functional Programming, Calculus, Linear Algebra

Experience

Developer , NECC (Núcleo de Estudantes de Ciências da Computação)	Oct 2024 – <i>present</i>
• Maintaining NECC's website.	
Program Committee Member , IEEE University of Minho Student Branch	Sept 2024 – <i>present</i>
• Organizing workshops.	

Certificates

Senac Goiás , Introduction to Programming Logic with Python (80h)	Sept 2022
--	-----------

Skills

Programming Languages: Haskell, Coq, C++ , C, Python, TypeScript

Tools: Git, \LaTeX , HTML/CSS, Emacs, GNU/Linux

Languages: English (*fluent*), Portuguese (*native*)
